**Mg3 Tripod Adapter Prices for mounting the 1919A4 Browning Air Cooled 30 Cal Gun to the MG3 Ground Tripod.**

Deluxe Slotted Model looks great against the slotted shroud!

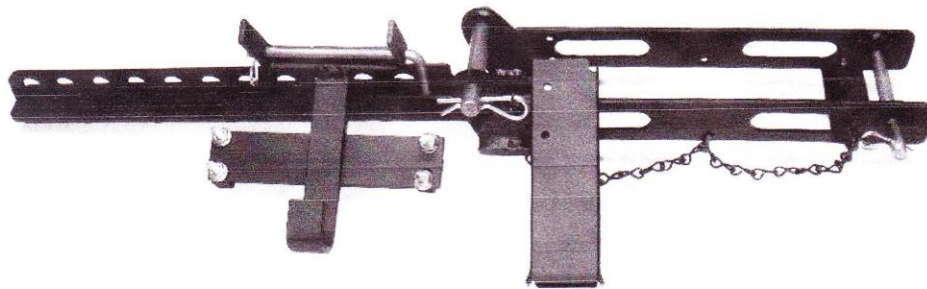

\$260.00 - alone

\$295.00 - w / can holder

\$330.00 - w / 2 can holders

\$335.00 - w / 1 can holder and one chute (recommended)

Picture shows link chute [not attached to adapter], and can holder bracket(s) which mount on the tripod tube(s). They do not hinder use of tripod if using without adapter mounted, i.e. if mounting an MG42 gun. No modifications are done to tripod to forgo mounting the MG42 without adapter mounted.

Remote Trigger Linkage (for using the remote lever on tripod to fire 1919) is available at an additional cost of \$65.00.

*Normally a deposit of 50% is required before I start building one for you. Turn around/lead time runs about 14-21 days from receipt of deposit.*
